Don't Take a Vacation from Smart Money This Summer

Families don't stop spending just because school closes for the summer. You still make household purchases like groceries, gas, eating out, clothing, etc.

In addition, summer barbeques and picnics, lawn and house maintenance tools, pool supplies, and even beach toys are all summer purchases that can easily be made with Smart Money.

You'll earn more tuition credit if you order year-round. It's not just because you'll order three more months. But it also keeps you in the "practice" of ordering gift cards.

To best serve you, we order every two weeks throughout the summer. We encourage you to order over the summer to earn as much tuition credit as possible.
